

Grow Your Business

JOIN THE ENTREPRENEUR COHORT

BE STRATEGIC

Do you have a great business with potential for growth, but need a financial push or business assistance to take it to the next level? This program is designed for experienced entrepreneurs who are currently operating a successful business and are seeking the right training to reach the next stage of business growth. NDC offers high-level business consulting and customized financing. This 8-week cohort-driven training module developed by the Entrepreneur Fund will help take your business to the next level. The class is designed to be experiential, with opportunities to learn and contribute within the cohort.
